

KERNOW & SOUTH WEST 600K RANDONNEE PERMANENT

Fee £3.00. Start Exeter St Davids Station, Exeter, Devon

Organiser: Ian Hennessey (Exeter Wheelers), 8 Nap View, Awliscombe, Honiton, EX14 3PL.

When planning a date for this ride note that many of the roads will be much busier during the holiday season.

The route uses a wide variety of roads. Some are major A roads which may be busy at times, some are quieter B roads, and others are minor lanes with sometimes doubtful surfacing. Ensure that you and your bike are adequately prepared for the event. Good lighting is essential.

If you start between 5 and 6 am you should be able to find controls easily enough throughout the ride. Specific controls mentioned on this sheet are there as a guide only. All that is required is that you provide proof of visiting the control town at the relevant time and date.

Carry sufficient food supplies with you. You will find it difficult to obtain any during the night, especially after Newquay.
